

Band Facts

Genre: funk, rap, hip-hop

Target audience: females, 16-30

People compare the Dr. Theopolis sound with: Parliament, Dr. Dre, Snoop Doog, Beastie Boys

Band size: 8 fly guys on bass, drums, guitar, keyboards, saxophone, trumpet, vocals

Band bio: Created in 2001 by brothers Jules and Ezra Holbrook, Dr. Theopolis grew from a carefree arty band into a wildly popular writing, production and live performance machine. Besides looking the part of fly 70s pimps, Dr. Theopolis appeals to the funk inside us all. Spiritual leader Mr. Fabulous is the stand-out whose "soul" role is to get the people "all fired up." Dig?
